Arkansas Economic Forecast Conference

Thursday, October 29, 2009

UALR Institute for Economic Advancement
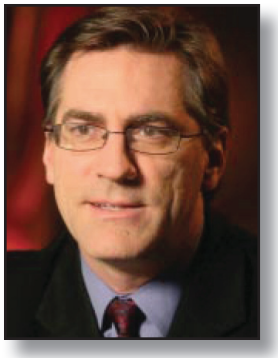
College Of Business

Arkansas Economic Forecast Conference

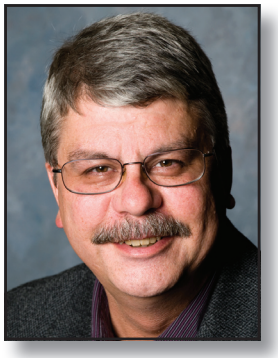
The economic forecast conference focuses on both national and local data, combining the Institute's research capability and general knowledge of the Arkansas economy to bring a unique perspective on the state's economic outlook. Additional insight is provided by local business leaders. The goal of the conference is to provide information on recent business and economic developments, and to suggest the likely course of future economic activity for our state and our nation.

Jim Youngquist is the Executive Director, Institute for Economic Advancement, University of Arkansas at Little Rock.

Richard Bell is the Secretary of the Arkansas Agriculture Department.



Roby Brock is the Executive Producer and Host of Talk Business.



Michael Pakko is the Chief Economist and State Economic Forecaster, UALR Institute for Economic Advancement.

Lane Kidd is the President of the Arkansas Trucking Association.

Julie Stackhouse is the Senior Vice President and Managing Officer of Bank Supervision and Regulation, Federal Reserve Bank of St. Louis.

David Sanders is a Special Columnist for Stephens Media.

Chris Masingill is the Director, Intergovernmental & External Affairs, Office of Governor Mike Beebe.
